CYCLADES

MYKONOS ISLAND

Mykonos is a wonderful Cycladic island, worth visiting at any time of the year. However it is a must to enjoy the days of its summer glory, when it literally becomes an international village, when its community of believers make it a sight worth seeing, when one can experience the unique feeling that everything and everyone is in Mykonos. Surrounded by Tinos, Syros, Paros and Naxos, a small island stands out, globally renown as one of the most popular tourism centers of the Mediterranean.

DEFINITELY VISIT:

Village Ano Mera • Church Paraportiani
Museums in Chora • Traditional & unique feasts

NAXOS ISLAND

Naxos is the largest and most fertile island of the Cyclades. Its long history, the important monuments but also its vivid tourism life have put it in a special position among the other Cycladic islands. No matter how many days you spend in Naxos, there will always be something to discover, beaches you haven't seen, towers and castles you haven't visited yet, ancient temples whose secrets are yet unknown.

DEFINITELY VISIT:

Kastro at Chora • Portara • Kouroi
Halki village • Classical Temple of Demeter
Local festivities

KOUFONISSIA ISLANDS

The spirits in Koufonissia are always up. You will feel this in every greeting, in every feast, in every moment. It is beautiful, from the view, to the sea, to the underwater images. At lunch time, you'll discover even more good reasons that make Koufonissia a unique destination!

DEFINITELY VISIT:

Epano Mili • Chora • Agios Georgios

PAROS ISLAND

Paros is so fascinating on so many levels that many people love it having seen only one of its faces. Don't jump to conclusions about what you like, get to know the island first and find your "own" Paros, the face that suits you best. No doubt, though, it will charm you even if you see a different side from the one expected. The island of Paros is famous for its golden beaches, clear blue waters and nightlife.

DEFINITELY VISIT:

Parikia • Lefkes village • Dilion • Askliption
Valley of the Butterflies • Ancient Marble Quarries
Panagia Ekatonapyliani • Local festivities in
Naousa, Alyki & Prodromos

ANTIPAROS ISLAND

Antiparos is an island mostly seen from the sea. Because it is impossible to resist the calling of the sea, a trip with a boat, surfing, the feeling you only get when floating in water. And once out of the water, Antiparos offers beautiful sights, warm people, flavours and feasts so you can enjoy the life you deserve.

CYCLADES

SIFNOS ISLAND

Sifnos belongs to the West Cyclades and is situated in the middle of the triangle formed by Serifos, Kimolos and Antiparos. Its pristine white settlements, blending superbly with the natural environment, its sandy beaches, picturesque churches and monasteries, its Venetian castle and ancient towers, and the wise cultivation of the land, its ceramics, hospitality and local feasts make up a superb, exciting and alluring setting for every traveller.

DEFINITELY VISIT:

Monastiri Chrysopigis • Artemonas village
Mycenaean Acropolis • Typically Cycladic settlements
at Exambela, Katavati, Ano & Kato Petali.

CYCLADES

SYROS ISLAND

This is the island where Greek tradition and western influence come to a harmonious marriage. Ermoúpoli (meaning "the city of Hermes") is the island's capital town and has been the first important trade and industrial centre of the country in the 19th century.

Evidence of this glorious past can be seen on public buildings (the City Hall, the Customs Office, "Apollo" theatre), on the neoclassical houses and at the beautiful squares.

DEFINITELY VISIT:

Ano Syros • International Cyclades
Music Festival • Classical Music Festival

RINIA ISLAND

Rhinia is one of the small islands immediately southwest of the island of Mykonos in the Cyclades archipelago. It is a hilly and fairly dry island where you can find a couple of beautiful sandy beaches. Rhinia is located next to the all-important archaeological island of Delos. The channel between the two islands is about 100 meters.

DELOS ISLAND

It's a UNESCO world heritage site. It's an ark of history, floating lazily on the waters of the Aegean Sea, just a few miles away from cosmopolitan Mykonos. It's a chance to walk around the revival of the glory of the Greek civilization. It's the head priest of the Cyclades, the birthplace of the immortals. It's Delos, where light was born!
